

5 March 1977

Dear Bill:

It wasn't a thousand years ago in Highland Park--  
only a few hundred! And the name is still "Stan."

How nice to hear from you, and how thoughtful of  
you to dig up that picture. Who are those young fellows?  
I'm not sure if my new command could come up with a copy  
of it or not, but with all those pigeons who is to say  
that at least one was not trained and carrying a camera?

Thanks again for your thoughtfulness and kind words.  
I hope our paths do cross again soon.

Yours,

STANSFIELD TURNER
